

Dr. Ekaterina Markova is senior research fellow at the [Institute for the Study of Societies and Knowledge at the Bulgarian Academy of Sciences](#) since 2004. Her research interests are related to Survey Research Methodology, Policy Impact Measurement and Evaluation, Sociology of Labour, Vulnerability, Demographic Change. At national level, Markova is member of the intra-institutional expert group for the implementation of the national demographic strategy at the Ministry of Labour and Social Policy. Markova has long term experience in large research projects (WALQING, ESF6CIA). For four years (2014-2018), Ekaterina was member of the Bulgarian correspondent for the European Foundation for the Improvement of Living and Working Conditions in Dublin, working on labour-related issues such as working conditions, vulnerability in case of unemployment, programs and measures for employment, and others. She participated in large-scale Survey research - International Comparative Panel Survey “The Impact of Coping Strategies and Social Capital on Reproductive and Marital Behavior”, Max Plank Institute (2002, 2005-2006), Generations and Gender Program, International Comparative Panel Survey “Generation and Gender Survey”, Max Plank Institute (2004-2005, 2007-2008). Since 2016, she is the country team leader of [Survey of Health, Ageing and Retirement in Europe](#) (SHARE) and coordinator of the national research infrastructure SHARE-ERIC Bulgaria. Some of her recent publications are: Markova, E., V. Kirov, D. Peycheva (2017) Hybrid work organisation in the construction sector in Bulgaria: employees or sub-contractors?, In: Employment and Economy of Central and Eastern Europe, 1/2016, ISSN 2191-7078, Markova, E., K. Sardadvar, A. Poggi (2017) Satisfaits malgré de bas salaires. Regards de travailleurs européens issus de la diversité//The satisfaction paradox revisited, In: La nouvelle revue du travail [En ligne], 11| (French, English), Markova, E. L., Ursula Holtgrewe, Johan E. Ravn (2015) 'A Hard Job Is Good To Find: Comparability, Contextuality And Stakeholder Involvement In European Job Quality Research', In: Ursula Holtgrewe, Vassil Kirov, Monique Ramioul (eds) (2015). Hard Work in New Jobs. The Quality of Work and Life in European Growth Sectors, New York: Palgrave Macmillan, Markova, E. L., Karin Sardadvar, Ambra Poggi, Claudia Villosio (2015) 'Low-Paid But Satisfied? How Immigrant And Ethnic Minority Workers In Low-Wage Jobs Make Sense Of Their Wages', In: Ursula Holtgrewe, Vassil Kirov, Monique Ramioul (eds) (2015). Hard Work in New Jobs. The Quality of Work and Life in European Growth Sectors, New York: Palgrave Macmillan.
